Hi Steve – Would you be available one day next week to discuss? (Not sure which end-of-year days you are taking off).
Thanks
Carol

I plan to contact the LRPB PCB team regarding the criteria for requiring a SIP, and I will get back to you.

Carol,
Let me know where we stand with the PCB cleanups to determine whether a SIP would be needed. If certain areas have not been remediated we need to ask the facility to submit a SIP. Thanks
